

# ENVELOPE PRINTER:

## Sheet Printing and Mailing Applications

Powered by  
**memjet.**

AstroJet M-Series Printers provide the ideal solution for high quality on-demand printing requiring quick, cost effective turnarounds. Powered by Memjet, Astrojet M-Series Printers deliver precise, high quality printing up to 1600 x 1600 dpi. Get sharp graphic images in full process color and monochrome. Print on variety of media from plain paper to premium glossy and matte label and photo paper.

### Product Highlights:

- Competitive, compact and cost-efficient design
- Lowest TCO of its class
- Low initial cost
- Latest inkjet technology
- Small footprint, maximizing use of space
- Flexible/on demand printing
- High speed - without quality loss
- Vibrant colors
- Up to 300 envelopes feeder tray capacity
- All-steel construction for durability in a commercial environment
- Environmentally-friendly waterbased inks and low power consumption
- Full bleed printing enabled
- Print Quality up to 1600 DPI Sharp Graphic Images in Full Process Color and Monochrome
- Speed and quality to enable shorter turnaround times
- Wide range of applications enables the replacement of several printers
- Complements analog printing techniques (flexo, litho, screen)
